## Nell Gwynn Nursery School

Lynne Cooper, Executive Headteacher  
Philippa Baker, Head of School & SENCo

### Early Years Pupil Premium

Early Years Pupil Premium (EYPP) is additional funding that is allocated to nurseries to support children from low-income families. This includes families of Looked After Children, families who are eligible for Free School Meals (FSM) and children from service families.

The allocation for 2017-18 is £302 per child.

This year this funding has been allocated to support the provision of Forest School within the setting.

Forest School is a six week, high impact intervention which has been shown to enhance progress and achievement across all areas of the curriculum.

Where a child is not yet ready to take part in Forest School the funding contributes to 1:1 support to enable the child to take part in other stimulating activities such as visits to the South London Gallery or Peckham Library.

### Impact of the Early Years Pupil Premium 2017-18

During the year 2017-18, **19** children were entitled to EYPP. The funding contributed to the salaries of 1:1 support assistants to provide training to support them in meeting the specific needs of individual children and diminishing the differences for them. The funding also contributed to a series of workshops in preparation for our Summer Carnival.

One child in receipt of the EYPP, Summer 2018 leavers (without SEND) achieved 40-60 months 'emerging'. While the remaining two children with SEND achieved between 22-36 months 'emerging' and 30-50 months 'developing'. All of the children made at least 3 steps of progress during their time at Nell Gwynn Nursery School. The remaining children are not due to leave until 2019.
