**Gregory Doey, Interim Executive Head Teacher**

September 5th, 2022

Dear Staff and Parents,

I hope that you all had a wonderful, rested summer break and are looking forward to the coming months.

As I said to you in my July letter your Governors' ambition has been to find the best option for strengthening our nurseries for the future, for the benefit of our community. I said that I hoped that this new alliance would be in place for September. This would ensure we would begin to feel the benefits of being part of a larger family of schools from the new academic year onwards.

I am happy to tell you that after a number of conversations your Governors have decided to investigate the possibility of an initial partnership with the River Peck Federation. This federation is formed of Pilgrims' Way and Bellenden Primary Schools. A partnership with these two schools brings many opportunities for our pupils and staff.

As the Governors and staff look more closely at our shared goals it has been decided that Gregory Doey, the present Executive Headteacher of the River Peck Federation, becomes our Interim Executive Headteacher.

Gregory brings with him a wealth of knowledge and expertise. He has worked in Southwark as a Headteacher for almost 10 years serving various school communities in Southwark. He will be spending some time at both schools in the near future and looks forward to getting to know our parents, carers and children.

When you see him, please welcome him and talk with him – he does not bite!

I will update you when I have news and further information.

Regards,

A handwritten signature in black ink that reads 'Barry Joseph'.

Barry Joseph  
Chair of Governors
