## Nell Gwynn Nursery School

Gregory Doey, Interim Executive Headteacher  
Philippa Baker, Head of School & SENCo

### Early Years Pupil Premium Statement 2022-2023 (linked with Early Years Pupil Premium Policy)

Early Years Pupil Premium (EYPP) is additional funding that is allocated to nurseries to support children from low-income families. This includes families of Looked After Children, families who are eligible for Free School Meals (FSM) and children from service families.

The allocation for **2022-2023** is **60 pence per eligible child per hour** or up to **£342.00 per child annually**.

We currently have **(yet to be confirmed)** children at Nell Gwynn Nursery School who are eligible for Early Years Pupil Premium this academic year.

This year the EYPP funding will be focused once again on extending loan libraries and providing breakfast on a daily basis. Through providing breakfast on a daily basis, children will have a social time to enjoy food in the company of others. During breakfast staff can take the opportunity to develop children's language as well as support them in forming friendships.

The existing loan libraries Nell Gwynn will continue to be developed as well as extended beyond book and maths game loans. Children will be able to borrow books, games and resources to share with family and friends in their home environment which they might not otherwise have access to. This should positively impact on the Prime Areas of their development (Personal, Social and Emotional Development, Communication and Language Development and Physical Development) as well as Specific Areas such as Literacy and Mathematics.

#### **Impact of the Early Years Pupil Premium 2020-2021:**

During the year 2021-22, **52** children were entitled to EYPP. The funding provided breakfast, so that children ate healthily at the beginning of the session. This has benefitted children nutritionally, supported growth, enhanced concentration and promoted social development as well as acquisition of language. Children have gained great enjoyment from loan libraries, visibly benefiting from borrowing books and games to share with family members.
